

BAPTIST TABERNACLE STUDENT MINISTRY

Merry *Christmas*

From my family to yours, we hope everyone has a wonderful Christmas with family and friends. Let's remember throughout this month to keep our thoughts on our Lord, Jesus Christ and His first advent on this Earth.

I love Christmas movies and activities as much as anyone, but I want to always keep in mind the real reason for celebration during this month.

Parents and grandparents, I would encourage you to read through Luke 2 during this month with your children and discuss any questions they may have.

Thank you for your trust in our church and myself for discipling your students.

Merry Christmas!

-Jeremy
